TECHNICAL DESCRIPTION

Sliding Sash Windows

- Bespoke Traditional Sliding Sash Windows
- European Redwood or European Oak
- Georgian or Victorian style

Timber

Engineered European Redwood or European Oak as a hardwood option.

Timber Finish

Finger-jointed for paint finish, laminated for stain/lacquer finish.

Glazing Bead

On internal side of window, invisibly nailed through silicone channel.

Joints

Mortice & Tenon glued and bonded joints, CNC machine prepared.

Preservation

REMMERS micro-porous flow coat applied, all end grains hand sealed.

Paint/Stain/Lacquer

REMMERS micro-porous flow coat applied, 3 coats.

Hand Painted Option

Upon request the windows are being handpainted with a brush using highly durable solvent based paint "SIGMA S2U" (Satin and Gloss option)

Glazing

Double Glazing Units 24 mm thickness (4-16Ar-4).
(4 mm annealed - 16 mm Argon filled gap - 4 mm soft coat Low-E annealed), Centre pane U value: 1,1 W/m2K.

Glazing Bars

TGI "warm edge" spacers in white or grey or any other colour corresponding to the window colour between the glass panes, stuck-on bars from timber 22 mm width from inside and outside (as a standard option).

Silicone

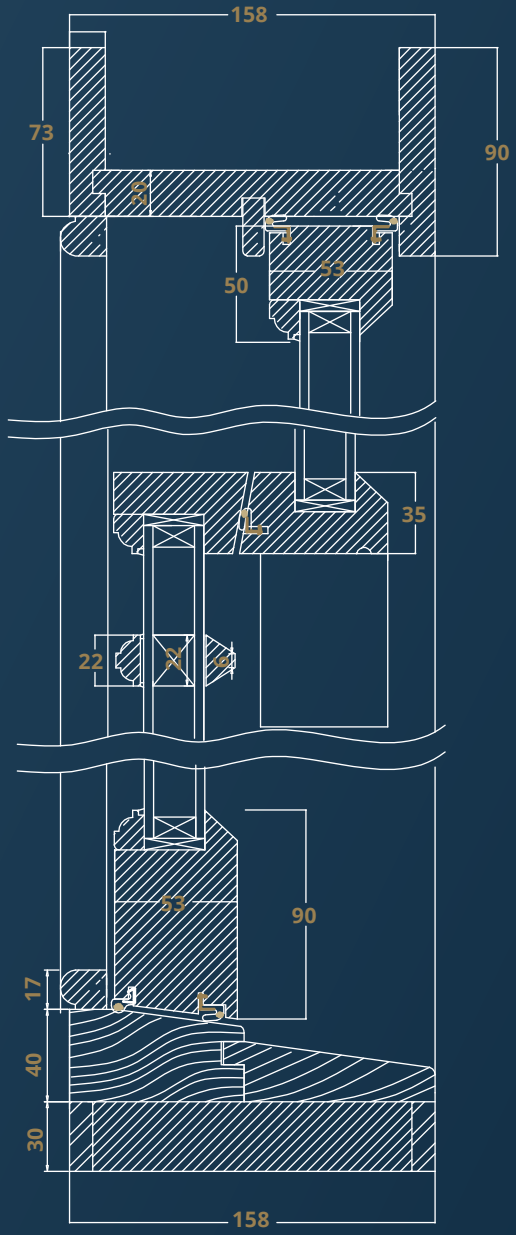

Continous neutral cure seal both sides of glazing unit in white or other colour corresponding to window colour.

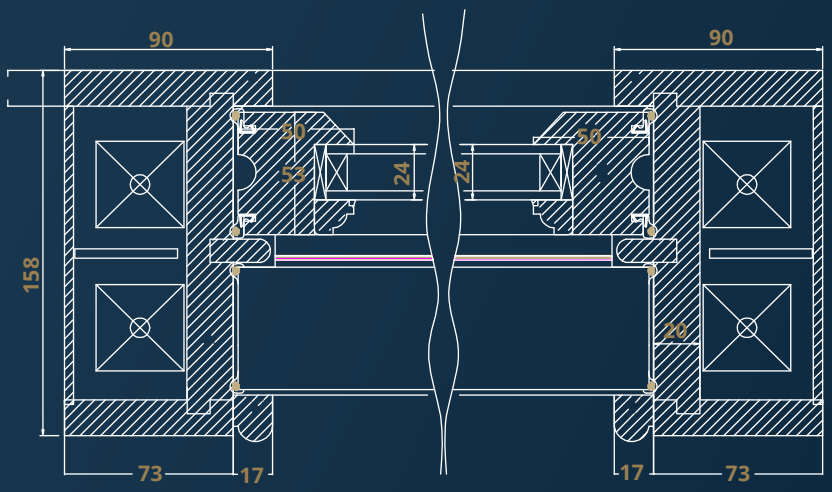

Weather Seals

SCHLEGEL Q-Lon continuous gasket.

Contact person: Jens Nicolai

Testimonials:

“I am very happy with my new Sash windows.
We had a large project that needed precise construction requirements and the highest quality available. Jens has been a pleasure to work with: professional, reliable and provided good advise when needed. We received our sash windows in time and as specified. I highly recommend this manufacturer and their products.”

Ben, Clapham

“Having dealt with numerous windows manufactures we can confidently say we have found more than just a preferred supplier in Classic Windows for our UK projects. The quality of their manufacturing process speaks for itself. Every window feels like it should: a bespoke piece of craftsmanship. One created with the detail, care, and flexibility that we require.”

Langford Property Ltd.

“I have worked with Jens for nearly a decade now and he has always delivered the highest-quality timber-sash windows. I would highly recommend him if you are looking for high-specification but affordable timber windows.”

Tim, South East London
